Dear Mr. Lynn:

On behalf of DFW International Airport, we want to thank you for your service to North Texas in crafting the local solution that became the basis for the *Wright Amendment Reform Act of 2006*. We truly believe that this historic legislation heralds an end to the decades of divisive regional controversy and the beginning of a new era of unprecedented cooperation. For generations to come, North Texans will build on the foundation of trust and hope you labored to put in place.

For your instrumental role in bringing this agreement to life and ensuring the passage of the implementing legislation, we owe you an enormous debt of gratitude and would be honored if you would accept the enclosed gift as a token of our appreciation.

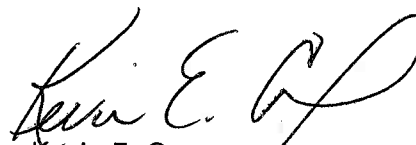

Mr. Lynn, we are convinced that without your personal efforts, we would not have been able to reach compromise on this important issue. Your leadership proved to be critical to the ultimate success of the bill.

We feel privileged and humbled to have been a part of the process. Throughout the long hours of discussion and debate, we were keenly aware that all parties were united in our mutual resolve to pass this important legislation. Without a doubt, the spirit of teamwork and solidarity forged during this effort will serve all of us well as we look to the future bright with promise and prosperity for the entire region.

Thank you for your service to North Texas and thank you for your friendship to DFW Airport, its employees, tenants, partners, and neighbors.

Sincerely,

Jeffrey P. Fegan
